## Guide to NRS Healthcare

# Who are they?

NRS Healthcare are the official suppliers to the NHS of mobility and disability products, helping their customers to gain access to the best disability equipment, information and support. Their range includes daily living aids, mobility equipment, disability equipment and therapeutic resources.

Equipment that NRS provide are:

- Bathroom aids
- Bedroom and seating aids
- Eating and drinking aids
- Health aids and personal care
- Mobility aids
- Household aids
- 

Equipment can be brought online: <https://www.nrshealthcare.co.uk/> or can be loaned if it has been requested by a Physiotherapist or Occupational therapist.

# What do I need to do?

If you feel your child may benefit from equipment from NRS, get in touch with Tor to discuss this further, on: 0116 241 7258.

If you currently have equipment on loan from NRS and have a problem with the equipment or it is broken, phone: 0344 893 6373 to arrange for an engineer to come out to fix it. If you no longer require the equipment, you can arrange collection of the equipment using the same number.
